

cocoBLUE Blend™

5,000mg

Whole-Plant Cellular Vitality · Daily Foundation
Never Synthetic. Never Isolated.

7-Day Pouch · 5g × 7 servings · 35g (1.23 oz)
30-Day Pouch · 5g × 30 servings · 150g (5.29 oz)

The cell is where life happens.

cocoBLUE is the daily blend built to feed the cell the way nature delivers nutrition — whole, intact, recognizable.

Every breath taken.
Every thought formed.
Every step walked.

The cell is doing the work, all day, every day.

cocoBLUE is built around fourteen whole-plant ingredients chosen to support the three things every cell needs: a clear signal to begin, complete nourishment to do the work, and the cofactors required to turn nutrition into usable cellular energy.

Not isolated.
Not synthetic.
Just whole plants, delivered the way the body recognizes.

THE THREE THINGS EVERY CELL NEEDS

Signal. Nourish. Convert.

Signal: Blue Spirulina and Butterfly Pea Flower wake cellular energy pathways. The blue color is the signal made visible.

Nourish: Seven ocean superfoods drawn from all four marine plant kingdoms, green, red, brown, blue-green, deliver trace minerals from where minerals are most concentrated on earth.

Convert: Moringa, amla, and the Orgen family of whole-food cofactors complete the formula with the nutrients the body recognizes and uses.

Three roles, one glass, the color of open sea.

THE BLEND

Blue Spirulina · Butterfly Pea Flower
Moringa Leaf · Coconut Water Powder
Chlorella · Laver · Sea Lettuce
Dulse · Icelandic Triple Kelp Blend

Plus the Orgen Family (whole-food vitamin cofactors):
Orgen-B's® · Orgen-Mg® · Orgen-C® · Orgen-Si®

Black Pepper, whole fruit

Drinking it feels like:

- cool ocean and tropical coconut
- the mineral depth of green sea plants
- the quiet hum of cells fed properly

THE PRACTICE

Mix 2 level scoops (5 g total) into 10–12 oz of cold water. Stir or shake well. Add a squeeze of lemon to reveal cocoBLUE's signature color shift from electric blue to violet. Best taken once daily.

Once daily, anytime - morning, midday, or before movement.

Daily care builds steady cellular vitality.
