Surface Cleaners

clean. safe. effective.

Naturally Clean. Powerfully Pure.

*Enjoy a naturally clean, healthier home with safe, plant-based ingredients.**

Our trio of Surface Cleaners - Protector, Deep Green, and Tri Remedy - offers a powerful, plant-based approach to cleaning that supports both a healthier home and overall well-being. Each non-toxic formula is crafted with essential oils known for their natural cleansing and purifying properties, making them safe and effective for use around children, pets, and those with sensitivities. Together, this trio of eco-conscious cleaners provides a safer, naturally aromatic way to maintain cleanliness and wellness throughout your home.*

Protector Surface Cleaner is a gentle yet effective formula suited for households with respiratory concerns, immune sensitivities, and young children. It's safe to use on toys, furniture, walls, and floors - anywhere you need reliable protection without chemical residue.*

Deep Green Surface Cleaner goes beyond cleaning, combining powerful plant oils like Green Mandarin and Pine Needle to refresh and purify while also promoting emotional balance and immune support. Designed for everyday use, it's perfect for homes seeking a safe, aromatic, and grounding clean throughout kitchens, bathrooms, play areas, and more.*

Tri Remedy Surface Cleaner features essential oils inspired by an ancient immunity-boosting blend, providing potent antibacterial and antiviral action. Studies suggest these natural ingredients can rival the effectiveness of conventional antibiotics, offering strong protection against germs without the use of harsh chemicals. It's ideal for sanitizing high-touch surfaces in kitchens, bathrooms, and other shared spaces.*

suggested usage

Spray surface to be cleaned with Surface Cleaner and wipe with damp sponge or cloth. Safely cleans washable surfaces including wood, plastics, leather, cloth, car interiors, and more! Will slightly darken most porous materials.*

cautions

- Keep out of reach of children and pets.*
- Store away from sunlight, at room temperature, with the lid securely tightened. Avoid eye contact. Flush with milk or water if stinging occurs. In the case of accidental ingestion, drink milk or water.*
