

**WHAT IF YOUR ALLERGY RELIEF WAS AS EASY AS BREATHING... AND FIT IN YOUR POCKET?**

Season changes don't have to slow you down. No pills. No sprays. No side effects. Just a quick inhale from our Allergy Relief Nasal Inhaler and you're back to feeling like yourself.

Breathe easier with our Allergy Relief Nasal Inhaler, expertly formulated to support your body's natural defenses. Designed to help ease common allergy symptoms like sneezing, runny nose, and watery eyes, it's perfect for seasonal shifts or daily support - just inhale and feel the difference.

**WHY ALLERGY RELIEF WORKS**

This blend layers the airway-opening and decongesting power of 1,8-cineole from both Ravintsara and Niaouli with Helichrysum's rare skin- and tissue-soothing compounds. The result is a holistic approach to allergy season — clearing your breathing, calming irritation, and supporting your body's natural ability to feel balanced and comfortable.

Seasonal sniffles don't stand a chance against this powerful trio of essential oils. Each oil in Allergy Relief GOGOSTix™ brings its own unique plant chemistry to help you breathe easier, calm irritation, and feel clear and balanced — naturally.

**DIRECTIONS**

- Adults and children 12 and above. Twist to remove cap. Hold inhaler just below nostrils and inhale deeply through each nostril for 1-2 seconds. Enjoy the invigorating effect. Recap tightly after use. Teach others how to GOGO!

**INGREDIENT HIGHLIGHTS**

**Helichrysum italicum (Helichrysum)**

- Key Constituents: Neryl Acetate, Italdiones
- Neryl Acetate soothes inflammation, relaxes tense tissues, and supports healthy circulation.
- Italdiones, unique to Helichrysum, help protect cells, encourage tissue regeneration, and speed up recovery from irritation.
- Together, they help calm the effects of allergens and promote overall respiratory comfort.

**Cinnamomum camphora ct. 1,8 cineole (Ravintsara)**

- Key Constituents: 1,8-Cineole, Alpha-Terpinyl Acetate, Sabinene
- 1,8-Cineole opens airways, eases congestion, and reduces nasal stuffiness.
- Alpha-Terpinyl Acetate adds a calming, relaxing effect to help you breathe with ease.
- Gentle antimicrobial benefits help keep your respiratory system clear.

**Melaleuca quinquenervia bs. viridiflora (Niaouli)**

- Key Constituents: 1,8-Cineole, Alpha-Pinene, Viridiflorol
- 1,8-Cineole reinforces airway-opening and congestion-clearing effects.
- Alpha-Pinene soothes respiratory inflammation and supports mental clarity.
- Viridiflorol provides a grounding, restorative quality for all-day comfort.

**INGREDIENTS**

- *Menthol Crystal, Pink Himalayan Salt, Helichrysum italicum (Helichrysum), Melaleuca quinquenervia bs. viridiflora (Niaouli), Cinnamomum camphora ct. 1,8 cineole (Ravintsara)*

**CAUTIONS**

- Do not eat or use orally.
- Temporary burning, stinging, or nasal discharge may occur. Discontinue use if irritation persists.
- Keep out of reach of children and pets.
- **Best by:** 30 days after opening. Store in a cool, dry place.

**WHAT IF LOSING WEIGHT WAS AS EASY AS BREATHING... AND FIT IN YOUR POCKET?**

Say goodbye to stubborn cravings and hello to effortless self-control with our Craving Crusher nasal inhaler. This powerful pocket-sized tool helps you stay on track with your goals by naturally curbing the urge to snack, lifting your mood, and keeping you energized - so weight loss feels easier, not harder. Just breathe it in and crush those cravings before they crush your progress.

The Craving Crusher isn't just another weight loss gimmick — it's your pocket-sized willpower.

**WHY CRAVING CRUSHER WORKS**

One deep breath helps silence snack urges, boost energy, and lift your mood... naturally. Just inhale — and watch cravings disappear before they wreck your progress. When cravings strike, this bright, uplifting blend works with your body's own chemistry to help you feel satisfied, focused, and in control.

Beta-caryophyllene from Copaiba helps your mind and body feel centered, making cravings easier to manage. Uplifting citrus oils brighten mood while Hyssop clears mental fog — helping you shift from impulse to intention.

**DIRECTIONS**

- Adults and children 12 and above. Twist to remove cap. Hold inhaler just below nostrils and inhale deeply through each nostril for 1-2 seconds. Enjoy the invigorating effect. Recap tightly after use. Teach others how to GOGO!

**INGREDIENT HIGHLIGHTS**

**Copaifera officinalis (Copaiba)**

- Key Constituents: Beta-Caryophyllene
- Interacts with your endocannabinoid system to regulate mood, stress, and reward pathways.
- Promotes calm, balanced emotions that help reduce cravings linked to stress or habit.

**Citrus bergamia (Bergamot)**

- Key Constituents: Limonene, Linalyl Acetate
- Limonene uplifts mood and supports mental clarity.
- Linalyl Acetate promotes calm and emotional balance.

**Citrus paradisi (Pink Grapefruit)**

- Key Constituents: Limonene, Nootkatone
- Limonene energizes and uplifts.
- Nootkatone supports metabolism and appetite control.

**Citrus sinensis (Sweet Orange) & Citrus reticulata (Tangerine)**

- Key Constituents: Limonene
- Brightens mood, reduces stress, and refreshes outlook.

**Hyssopus officinalis (Hyssop)**

- Key Constituents: Pinocamphone, Iso-pinocamphone
- Supports mental focus and clarity.

**INGREDIENTS**

- *Menthol Crystal, Pink Himalayan Salt, Copaifera officinalis (Copaiba), Citrus bergamia (Bergamot), Citrus paradisi (Pink Grapefruit), Citrus sinensis (Sweet Orange), Citrus reticulata (Tangerine), Hyssopus officinalis (Hyssop)*

**CAUTIONS**

- Do not eat or use orally.
- Temporary burning, stinging, or nasal discharge may occur. Discontinue use if irritation persists.
- Keep out of reach of children and pets.
- **Best by:** 30 days after opening. Store in a cool, dry place.

## WHAT IF YOU COULD GO FROM FOGGY TO LASER-FOCUSED... IN UNDER 60 SECONDS?

Stay sharp with our Focus Fuel Nasal Inhaler, expertly crafted to support mental clarity, focus, and alertness. Whether you're tackling a busy workday, powering through a study session, or fighting off brain fog, just inhale and refocus - your mind will thank you.

Focus Fuel — the natural inhaler that sharpens your mind in seconds. One deep breath and you're in the zone.

### WHY FOCUS FUEL WORKS

Meet Focus Fuel — the pocket-sized inhaler that flips your brain into high gear. Enjoy sharper focus, clearer thinking, and instant alertness. No caffeine. No crash. Just one deep breath and you're locked in. Whether it's a big meeting, a long study grind, or a mental slump, Focus Fuel puts you back in control — fast.

This refreshing blend works in harmony with your body to awaken focus, boost mental clarity, and keep your thinking crisp. Stimulating compounds like 1,8-cineole, menthol, and limonene work alongside mood-balancing floral notes to keep you sharp yet calm.

### DIRECTIONS

- Adults and children 12 and above. Twist to remove cap. Hold inhaler just below nostrils and inhale deeply through each nostril for 1-2 seconds. Enjoy the invigorating effect. Recap tightly after use. Teach others how to GOGO!

### INGREDIENT HIGHLIGHTS

## WHAT IF YOU COULD RESET YOUR MIND AND MOOD... IN ONE DEEP BREATH?

Find your calm with our Frankincense Nasal Inhaler, expertly crafted to promote deep relaxation, mental clarity, and emotional balance. Designed to help ease stress, support focus, and uplift your mood, it's perfect for daily grounding or moments when you need to restore calm. Just inhale and feel centered, refreshed, and balanced throughout your day.

For thousands of years, Frankincense has been treasured for its grounding aroma and remarkable wellness benefits. Known as the "King of Oils," it supports calm, clarity, and whole-body balance.

### WHY FRANKINCENSE WORKS

With our Frankincense Nasal Inhaler, you can ground yourself anytime, anywhere. Just inhale... and feel the shift. Say goodbye to stress, brain fog, and low mood. Pocket-sized. All-natural. Always ready.

Frankincense's alpha-pinene and incensole acetate work together to soothe the nervous system, clear mental clutter, and restore emotional balance. Your calm is now portable.

### DIRECTIONS

- Adults and children 12 and above. Twist to remove cap. Hold inhaler just below nostrils and inhale deeply through each nostril for 1-2 seconds. Enjoy the invigorating effect. Recap tightly after use. Teach others how to GOGO!

### INGREDIENT HIGHLIGHTS

#### **Boswellia carteri (Frankincense)**

- Key Constituents: Alpha-Pinene, Incensole Acetate, Boswellic Acids\*
- Alpha-Pinene supports clear breathing, mental clarity, and emotional grounding.
- Incensole Acetate encourages feelings of peace and relaxation.
- Rich, resinous aroma calms the mind and deepens focus or meditation.
- \*Boswellic acids are primarily found in the resin, not the distilled oil.
- Tradition Meets Today: Revered as the "King of Oils," Frankincense was valued in ancient temples and royal courts for enhancing spiritual connection and personal reflection.

### INGREDIENTS

- *Menthol Crystal, Pink Himalayan Salt, Boswellia carteri (Frankincense)*

### CAUTIONS

- Do not eat or use orally.
- Temporary burning, stinging, or nasal discharge may occur. Discontinue use if irritation persists.
- Keep out of reach of children and pets.
- **Best by:** 30 days after opening. Store in a cool, dry place.
