

MAGNESIUM RESCUE

Topical Magnesium Roll-On

Zechstein Magnesium Chloride + Botanical Oils

Targeted Magnesium, Made for the Moment

Magnesium Rescue combines concentrated magnesium chloride brine from the ancient Zechstein seabed in the Netherlands with a carefully selected blend of botanical oils in a convenient roll-on designed for targeted application. Drawn from a deep underground source formed more than 250 million years ago, Zechstein magnesium chloride is valued for its purity and suitability for topical use.

Magnesium is involved in hundreds of processes throughout the body, including normal muscle function, nerve function, relaxation, and recovery. The roll-on format makes it easy to focus application exactly where you want it, whether after activity, at the end of a long day, or whenever hardworking muscles need a little extra support.

Clove, Rosemary, Marjoram, Wintergreen, and Tamanu oils round out the formula with botanicals traditionally valued for their warming, soothing, and comforting properties.*

FUNCTIONAL CONSTITUENTS

Magnesium Chloride	The primary mineral constituent of the Zechstein brine, magnesium supports normal muscle and nerve function, relaxation, recovery, and hundreds of other processes throughout the body.*
Calophyllolide	A naturally occurring compound found in Tamanu oil, calophyllolide is associated with Tamanu's traditional use for soothing inflammation and supporting muscle, joint, and skin comfort.*
Botanical Aromatic Compounds	Clove, Rosemary, Marjoram, and Wintergreen contribute naturally occurring plant compounds traditionally valued for warming, soothing, and comforting topical applications.*

HOW WE SOURCE

Our magnesium chloride brine is sourced from the ancient Zechstein seabed in the Netherlands, a mineral-rich underground deposit formed more than 250 million years ago.

Protected deep beneath the earth and isolated from modern surface contamination, this source provides naturally concentrated magnesium chloride valued for its purity and suitability for topical use.*

OUR FORMULA FEATURES:

- ✓ Ancient Zechstein magnesium chloride
- ✓ Mineral-rich topical magnesium
- ✓ Five complementary botanical oils
- ✓ Targeted roll-on application
- ✓ Purposeful, uncomplicated ingredients

Magnesium Rescue combines concentrated topical magnesium with carefully selected botanicals in a simple roll-on made for everyday muscle comfort and recovery.*

WHAT IT SUPPORTS

- Muscle comfort & relaxation*
- Recovery after activity*
- Normal muscle & nerve function*
- Targeted support for hardworking areas*
- Everyday mobility & physical ease*

ANCIENT MINERAL. PURPOSEFUL BOTANICALS.

Magnesium Rescue begins with magnesium chloride brine sourced from the ancient Zechstein seabed in the Netherlands, a mineral-rich underground deposit formed more than 250 million years ago and protected from modern surface contamination.

To that mineral foundation, we add Clove, Rosemary, Marjoram, Wintergreen, and Tamanu oils, each selected for its traditional role in soothing, warming, comforting, and supporting hardworking areas of the body.

Together, they create a focused topical formula that brings ancient mineral sourcing and powerful botanical tradition into one easy, targeted roll-on.*

WHY THIS FORMULA

Magnesium Rescue is designed to do more than simply deliver topical magnesium. Concentrated Zechstein magnesium chloride provides the mineral foundation, while Clove, Rosemary, Marjoram, Wintergreen, and Tamanu oils add complementary botanical support for comfort and recovery.

- **Topical magnesium** for direct application
- **Targeted roll-on** for precise, mess-free use
- **Five botanical oils** selected for complementary action
- **Mineral + botanical formula** in one convenient step
- **Easy everyday application** wherever support is needed

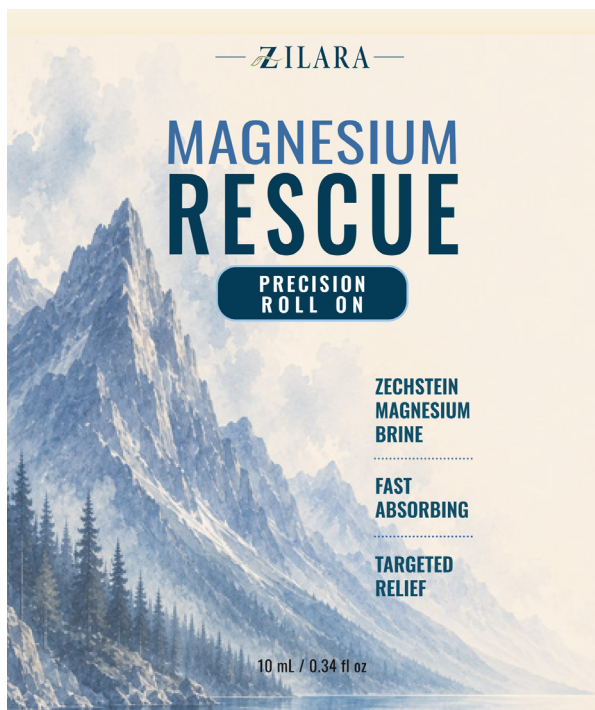

SUGGESTED USE

Apply generously as needed on the affected area and gently massage to increase absorption.

CAUTIONS

- Safety Group 4: Never recommended for children or while pregnant or nursing.
- For external use only.
- Not recommended for those with bleeding disorders, salicylate sensitivity, or those preparing for major surgery.
- Keep away from eyes and mucous membranes.
- Do not apply to open wounds, broken, irritated, or recently shaved skin.
- Consult a physician before use if you are pregnant, nursing, or taking anticoagulant medication.
- Discontinue use two weeks prior to surgery.
- Keep out of reach of children.
- Store away from heat and direct light.
